

Product Specifications

- Housing:** Marine grade aluminum with stainless steel screws
- Lens:** UV stabilized polycarbonate
- Mounting:** Wall mount
- Electrical:** 120V, 230V, NOT Dimmable
- Light Source:** 10W LED, E27,G23, G23 18W
- Certification:** cETLus, IP66, CE
- Photometric:** 10W LED 614lm LM CRI>83 50,000
- IP65**
- Color Temperature:** 3000K (4000k option)
- Fixed LED Light Source. Can be replaced by authorized personnel

EWSGT2
